Language of instruction and language requirements	<p>At undergraduate level, the language of instruction in most of our Departments is mainly Turkish. However, these Departments offer assistance (i.e. materials, tutorials, exams etc. in English) to the exchange students. Nevertheless, we have 3 departments offered completely in English. They are: the Department of English Medicine, the Department of Economics and the Department of English Language Teaching. Furthermore, 30% of the courses in our Department of Material Sciences and Engineering are offered in English. We also have a pool of courses offered in English. I have attached the list. Furthermore, for incoming exchange students, we have a special arrangement. We offer their courses partly in English and allow the students to prepare their homework in English. We also arrange their examinations in English so they will have no problem with their studies, training or communicating with their instructors. We must also inform you that all Masters and PhD programs in our university are offered in Turkish and English. Our language requirement is B1 English. For the latest list of our courses offered in English please click:</p> <p style="text-align: center;">List of English Courses</p> <p>Contact person: Mrs. Betül Yıldırım tel: +90-362-3121919 (Ext. 1606) fax: +90-362-456091 e-mail: betul.yildirim@omu.edu.tr / erasmus@omu.edu.tr</p> <p>The free course of Turkish language is offered during the semester (2 hours per week, 3 ECTS) and two-week intensive Turkish Language Courses are held by the Turkish Language Centre http://omuturkce.omu.edu.tr in the beginning of each semester.</p> <p>The language requirements for the incoming students (in reading, writing and speaking): level B1 English on the CEFR scale (<i>Common European Framework of Reference for Languages</i>) or equivalent.</p>

Health Insurance	<p>Before applying for a residence permit all incoming exchange students must have a valid health insurance. Therefore, we recommend that you obtain this before your departure from your home country or you may also have the opportunity to obtain one from Turkey. You can benefit from “general health insurance” coverage in Turkey. If you have the "general health insurance", you can use all state hospitals without a fee and also private hospitals paying a moderate fee.</p> <p>Please click: Health Insurance</p>
Visa	<p>International exchange students wishing to study in Turkey need to have a passport valid at least six months longer than the expiry date of the student visa. Before travel you will need to obtain a student visa from a Turkish Embassy/Consulate in your home country. As visa regulations may change quite frequently, please contact the nearest Turkish Embassy or Consulate in your country for the most up-to-date and detailed information. Student visas cannot be obtained within Turkey.</p> <p>Please click: Visa</p>
Buddy Service	<p>Each requesting student is assigned a buddy who will help you with the first steps of living and studying in Samsun. The buddies will be arranged by ESN Samsun. The student buddies are voluntary and will contact you by e-mail before your arrival. They will help you with the formalities at the university and with practical issues. You are invited to be friends with <i>ESN Samsun</i> on Facebook. You may also e-mail them at esnsamsun@esnturkey.org</p>
Food	<p>The university provides all incoming Erasmus students a student card (<i>öğrenci kimliği</i>). The card is issued by the Admission office and is free of charge. All you need to do is upload credits to eat at the student dining halls for a very low price (around € 0.75)</p>
