

Online Application Guide

This guide was created to facilitate your online application for a mobility period at the University of Porto. Please follow all the steps in order to successfully submit your application.

It is advisable that you carefully organize all the requested information with the support of the people responsible for the mobility at your Home Institution before accessing the Application Form.

We advise that you explore the U.Porto webpage, as it contains several useful links in order to prepare your mobility.

See you soon in Porto!

1. Ask for Login
2. Fill in the Application
3. Print the Application and Upload the Application Form
4. Create and Print the Changes to the Application Form

1. Ask for Login

In order to access the Application Form, you must:

- Ask for the username through the corresponding option

Students IN - Online Application

The University of Porto has implemented a **new Application procedure** for Incoming Mobility Students. All Application Forms MUST be submitted **online**. Therefore, no paper documents and forms have to be sent to the International Office.

All students selected by their Home University, wishing to spend a period of studies at the U.Porto have to register online in order to receive the necessary username and password to access the Application Form. You just have to:

- **Ask for login via e-mail:**
You will receive an e-mail containing a temporary **username and password**.

With the received password, candidates must authenticate in this area of the U. Porto website and, **after being authenticated**, create the application form.

To fill in the form quickly and efficiently, we recommend students **to organize all the information and necessary documents** with the responsible for the mobility at the Home Institution. before accessing the Application Form.

4. Create and Print the Changes to the Application Form

Before you make changes to your initially proposed Study/Internship Plan, we advise a previous contact with both your home and host institutions.

In order to create a changes form to your Study/Internship Plan and/or mobility period initially proposed, you must click the following symbol of your Online Application:

You can make the following changes in the form:

- change to the Study Plan (only to add/eliminate subjects);
- change to the mobility period (*Extension* or *Reduction*)

After you submit a request to change your application, you need to wait that it is validated/refused by the intervenients. You can do more than one request of changes, but you always need to wait that the previous request is duly validated/refused before you submit a new request.
